The largest and most comprehensive Sikh survey in the UK, powered by the Sikh Network

THE UNIVERSITY OF WOLVERHAMPTON'S CENTRE FOR TRANSNATIONAL AND  
TRANSCULTURAL RESEARCH (CTTR) PRESENTS:

## LAUNCH OF THE UK SIKH SURVEY REPORT 2016

Dear Colleagues

You are invited to attend the Launch of the Findings of the UK Sikh Survey, the first ever comprehensive and largest analysis of issues that matter to the British Sikh Community.

**Taking place on Friday 25 November 2016, 2-4pm, MA 221 (The Council Room, Wulfruna Building, City Campus).**

The UK Sikh Survey maps out a much needed analysis of the views, as well as challenges, faced by the Sikh Community in contemporary British Society. The Survey is based on extensive outreach to gather the opinions of Sikhs across the length and breadth of the United Kingdom and will generate new empirical knowledge to current debates on what it means to be a British Sikh. Specifically, this knowledge will provide the British Sikh community with the tools to effectively communicate its values and aspirations with government and public institutions. This is only made possible because of the Survey's aim to conduct the largest poll of the Sikh community in the UK.

Further details of the UK Sikh Survey can be found at: <http://www.thesikhnetwork.com>

This event is an opportunity for staff and students, Sikh and non-Sikh, to engage with Politicians, Councillors and the Sikh Network over matters of concern to the British Sikh community.

Although this is a free event, registration is encouraged by following the link below:
